PUBLIC NOTICE

Subject: Mandatory Compliance of KYC on the CROP portal-reg.

Whereas the Registration Committee (RC), in its various meetings (420th, 424th, 425th, 431th, 443rd, 445th, 448th, 452nd, 453rd, 456th, 457th) has taken a series of decisions for the effective implementation of the Know Your Company (KYC) guidelines on the CROP portal, with a view to strengthening regulatory oversight, enhancing transparency, and ensuring accountability in the registration processes under the Insecticides Act, 1968.

2. Whereas, in furtherance of the said decisions, RC had issued various public notices dated 07.11.2022, 06.01.2023, 15.03.2023 and 24.07.2023, informing all stakeholders to comply with the prescribed KYC requirements.

3. Whereas, it has been observed that several CROP portal account holders have failed to comply with the KYC requirements despite the issuance of the aforesaid public notices, thereby rendering their Certificates of Registration (CRs) liable for cancellation.

4. Whereas pursuant there to RC had also issued a Communication dated 16.10.2025 to all the State/UT departments of Agriculture, requesting them to cancel the manufacturing licences of all such companies who failed to Comply with the prescribed KYC requirements and accordingly further issued a communication dated 24.10.2025 requesting the DA&FW to issue Gazette Notification declaring the cancellations of CRs for non-compliant applicants. The account details of KYC-non-compliant account holders **are enclosed.**

5. Whereas the above issue was also dealt by the RC in its 468th meeting at agenda item no. 10.58 wherein the RC *inter-alia* observed that although RC had issued various public notices to all the Stakeholders granting them an opportunity to comply with KYC requirements and therefore felt it expedient that a final opportunity may be given to the applicants to represent their respective cases with adequate justification within thirty days from the date of decision so as to enable the applicants to comply with the KYC requirements.

6. Besides above and with a view to providing a final opportunity to KYC-non-compliant account holders on the CROP portal, the Department of Agriculture & Farmers Welfare has decided to accord a period of four weeks / one month (as applicable) from

the date of issuance of this public notice to complete the prescribed KYC requirements on the CROP portal. It is therefore informed and requested to take further steps in terms of the above 468th RC decision at agenda item no. 10.58 at the earliest so as to enable the RC to take an appropriate view in this regard.

7. It is hereby clarified that failure to adhere to the above RC decision to complete KYC compliance within the aforesaid period shall culminate in cancellation of the Certificates of Registration (CRs), without any further notice.

This issues with the approval of Secy (CIB&RC).

Encl.: List of KYC non-compliant applicants/companies.
